Educate That Boy

HE'S only a little chap now, but he grows. So do the expenses of his education. Will your income grow accordingly? Ten years hence can you give him a thorough college or professional course?

Provide for all that right now. He's worth it. Allow us to explain to you

the details of a simple and easy way of securing life insurance for yourself for the next ten years, and at the end of that period a substantial cash sum for that boy's education.

Write for information of policies.

The PRUDENTIAL

INSURANCE COMPANY OF AMERICA.

Incorporated as a Stock Company by the State of New Jersey

Home Office, Newark, N. J.

For a full description of the Prudential Insurance Company of America, its policies, and its financial strength, write to the Prudential Insurance Company of America, 100 Nassau Street, New York City.

"ON THE LEE SHORE"

A THRILLING STORY OF AMERICAN BUSINESS LIFE.

WRITTEN by Broughton Brandenbar, President American Institute of Immigration. Don't fail to read it. It tells how a fortune was made and lost in tobacco speculations, how a sudden turn in the stock market crippled a daring financier, how the death of his brother-in-law completed the financial ruin, and brought the delicately-reared family to the verge of want. It also shows how a Prudential Life Insurance Policy for \$50,000 saved the situation. The author says of The Prudential Policy:

"It stood out like a chimney-tower above the blackened ruins of a mansion that had been swept by fire."

The popularity of the above article has been such that The Prudential is issuing it in pamphlet form. Write at once for a copy. It costs you nothing.

Prudential Life Insurance Policies are popular because of their liberal provisions.

YOU SHOULD INSURE YOUR LIFE.

Life Insurance lightens your burdens and brightens your prospects. Only two out of every hundred succeed in life. The Insurance Policy is frequently the only asset left at death. The way to carry out your intention to insure is—To insure.

YOU SHOULD INSURE IN THE PRUDENTIAL.

You want the best there is in Life Insurance. The Prudential issues it. The Prudential Policy provides for the welfare of the family, leaves money in trust for education of children, creates immediate capital, and saves for old age.

The Prudential has more life insurance in force than any other life insurance company confining its business exclusively to the United States.

Write at once stating age and amount you desire to invest every year.
